## Welcome

We are very pleased to welcome the family of Jacob White as we celebrate his baptism this morning.

## Jesus lives - Praise on the Square

Put the 29th of August in your diaries now! As part of Woodstock Live, Churches Together in Woodstock are organising an out door service in the square from 10 to 11.15. Be there!!

## Need a new job?

The Chipping Norton and Stow Methodist Circuit are looking for a Community Development Officer for 12 hours a week. Pay is from £8-25 per hour. Further details and application forms are available from Martin Hannant on 01608 643653 or e mail at [martinhannant@fsmail.net](mailto:martinhannant@fsmail.net).

## Penhurst appeal : Action for Children

Our Action for Children collection this year has a local focus for the Penhurst School at Chipping Norton. Penhurst is a residential school catering for boys and girls who have complex disabilities associated with profound and multiple learning difficulties. They need to raise £20,000 to be spent on equipment to enhance the refurbishment of the school and the provision of interactive whiteboards to improve the opportunities for students and to promote effective teaching and learning. In addition, if they can raise £20,000 it will aid their application to become a specialist school and they could receive a further £100,000 from the government to enhance communication and interaction for the students. If you leave money in the envelopes that are out this week, Sue will ensure it goes to the right place. Those living in Woodstock will also receive an envelope through their doors!

## Combe Cream Tea

There will be an opportunity to share with others across the partnership on Sunday 25th July at Combe from 3pm onwards. You are invited to gather on the recreation ground (green field next to the chapel) and enjoy the company of others, as well as a game of rounders for the more energetic. You can also share in "Messy Church", as well as walk up to the village Reading Room for a cream tea. At 6pm, we will all gather in the chapel for a Songs of Praise. Everyone, of whatever age, is very welcome to join us. Bring a friend!

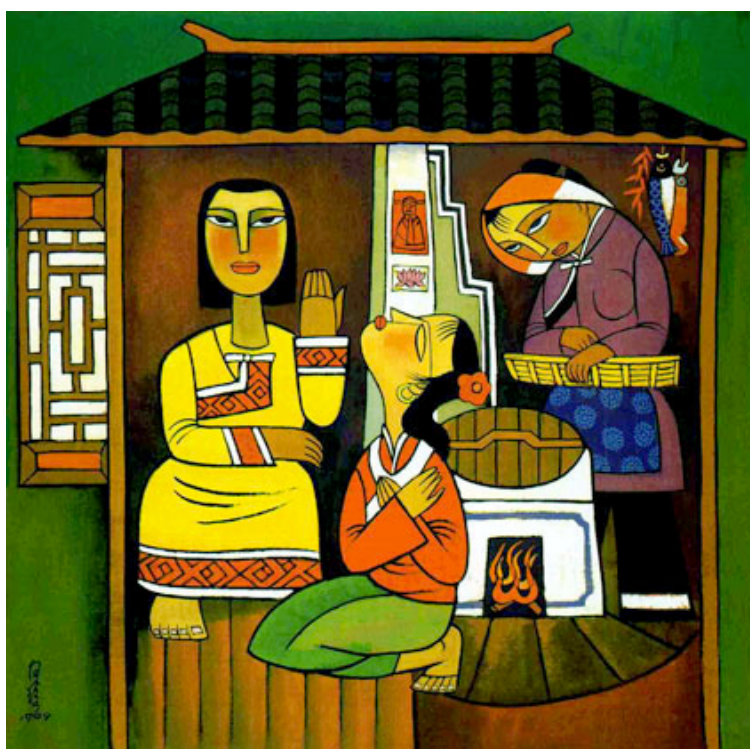

## Pet Service

We are holding a Pet Service on the village green in Tackley today beginning at 4pm. Everyone is welcome to this informal time of worship and thanksgiving. Pets should be accompanied by their owners, but you don't have to have a pet to come! There will be refreshments afterwards at the Methodist Church.

*We welcome all visitors to our service this morning. Please do join us for coffee in the hall afterwards and make yourselves known to one of the stewards.*
